[a] These estimates, prepared in cooperation with the Bureau of Labor Statistics, U.S. Department of Labor, are by place of residence, NOT seasonally adjusted, and revised to 2016 benchmark. Estimates for the current month are preliminary. [b] Civilian labor force equals employment plus unemployment. The employment and unemployment totals shown may not add to the labor force figure shown because of rounding. Employment includes workers involved in labor-management disputes. [c] Rate equals unrounded unemployment divided by unrounded labor force.
